Sorry about that. I have it on my calendar for 12:30 to make sure the conference room is ready and available.

We will see you at 1:00.

Yes, the approach you outline for the meeting works great.

See you tomorrow,

Regards,

Many thanks Julie – just to confirm we should plan to arrive at 1pm? 1230 also works for us.

We feel we have a clear understanding of the allegations and so would propose to start off with walking through our responses for each. Does that work for y'all?

Aselda,

When you come to EPA tomorrow, please enter on the first floor (6th and University), go through security, and then ask for me at the front desk. They will call me and I will come down to meet you.

Are you expecting EPA to first walk through the claims set forth in our letter, or do you understand our claims and want to start off presenting information in response to EPA's letter?

Regards,

Julie A. Vergeront
